10:40-11:40	Closing Keynote	15
11:40	Adjourn	

Stay Organized

Everything you need can be found @ www.slateinwi.com including speaker resource pages/handouts, session descriptions, etc.

Badge Information &Dietary Requests

It is necessary for all attendees to wear their official badge at all official events. On the back of your name badge is the medical necessary dietary needs you listed during the registration process. Show the back of your badge to the waitstaff for your meal or for further instructions. If you listed an item on the registration form and it is not on the back of your name badge the Kalahari chef has confirmed you do not need a special meal. Changes during the event cannot be made.

Hotel Information

You can check-in at the Kalahari Hotel Lobby to receive your overnight room or use the SLATE Satellite Hotel Check-in Counter in front of the SLATE Registration area (Africa Foyer). Grab your name badge and room key/wristband in the same area.

Satellite Hotel Check-in Counter Hours: Mon 3:00-6:00 pm & Tues 1:45-5:30 pm Hotel Check-Out is 11 am.

Kalahari issues guest wristbands (instead of room keys). When you are ready to check-out simply cut-off your wristband and toss. No need to stop at the hotel registration. Be sure the Kalahari has your current email address so they can email you a receipt.

Lost & Found

See SLATE registration counter.

Room Overcrowding

All sessions fill on a first-come, first-served basis. For your safety, and because of fire regulations, meeting rooms that fill to capacity will be restricted.

Ethics Law

Ethics laws prohibit our attendees from accepting prizes/gifts from exhibitors, however, prizes may be donated to the SLATE convention for distribution to convention attendees selected from a pool of ALL attendees, with the understanding that prizes will be used in districts.

Flashing Lights

During SLATE you may experience environments or content with intense or flashing lights.

Experience learning focusing on these tracks...

These levels are indicators of the presenters general sense of the experience level needed to get the most benefit from the session. Please feel free to attend any session!

Convention Tracks

DATL Digital Age Teaching & Learning
Best practices in academic content areas and technology integration in the classroom, legal and technical

LPD Leadership & PD
Leadership, vision, and data-informed decision making, and PD

Intended Audience

DA District Administrator
SA School Administrator
CI Curriculum & Instruction
LMS Library Media Specialist
IC Instructional Coach (tech integrator, reading specialist, math coach, etc.)

IT IT Director/Coordinator (network specialist)
TI Technology Instructor
GE All Educators

Experience Levels

N Everyone, Even if You're New At It
Just beginning to incorporate technology in the classroom and/or use 1:1 technology

INT Getting the Hang of It
Interested in discovering additional resources to support student learning/ inquiry and/or for maximizing instructional planning and delivery

A Advanced
Seeking novel ways to use existing technology and/or to maximize transformative teaching/learning experiences personalized learning environments

TP Tech Professional
Leads, implements and continuously uses technology tools in decision making and all aspects of the job to support school infrastructures to include teaching and learning

Don't miss this!

Exhibit Hall

Welcome to the Exhibit Hall!

Exhibit Hall Hours
Tuesday 9:30 am - 3:35 pm

#ChargeUp #HangOut #Relax

Roll up your sleeves! Meet up with your team on-site in one of the spaces - a comfortable space designed to facilitate group collaboration and innovative thinking - to begin transforming your classroom or school. First come-first served.
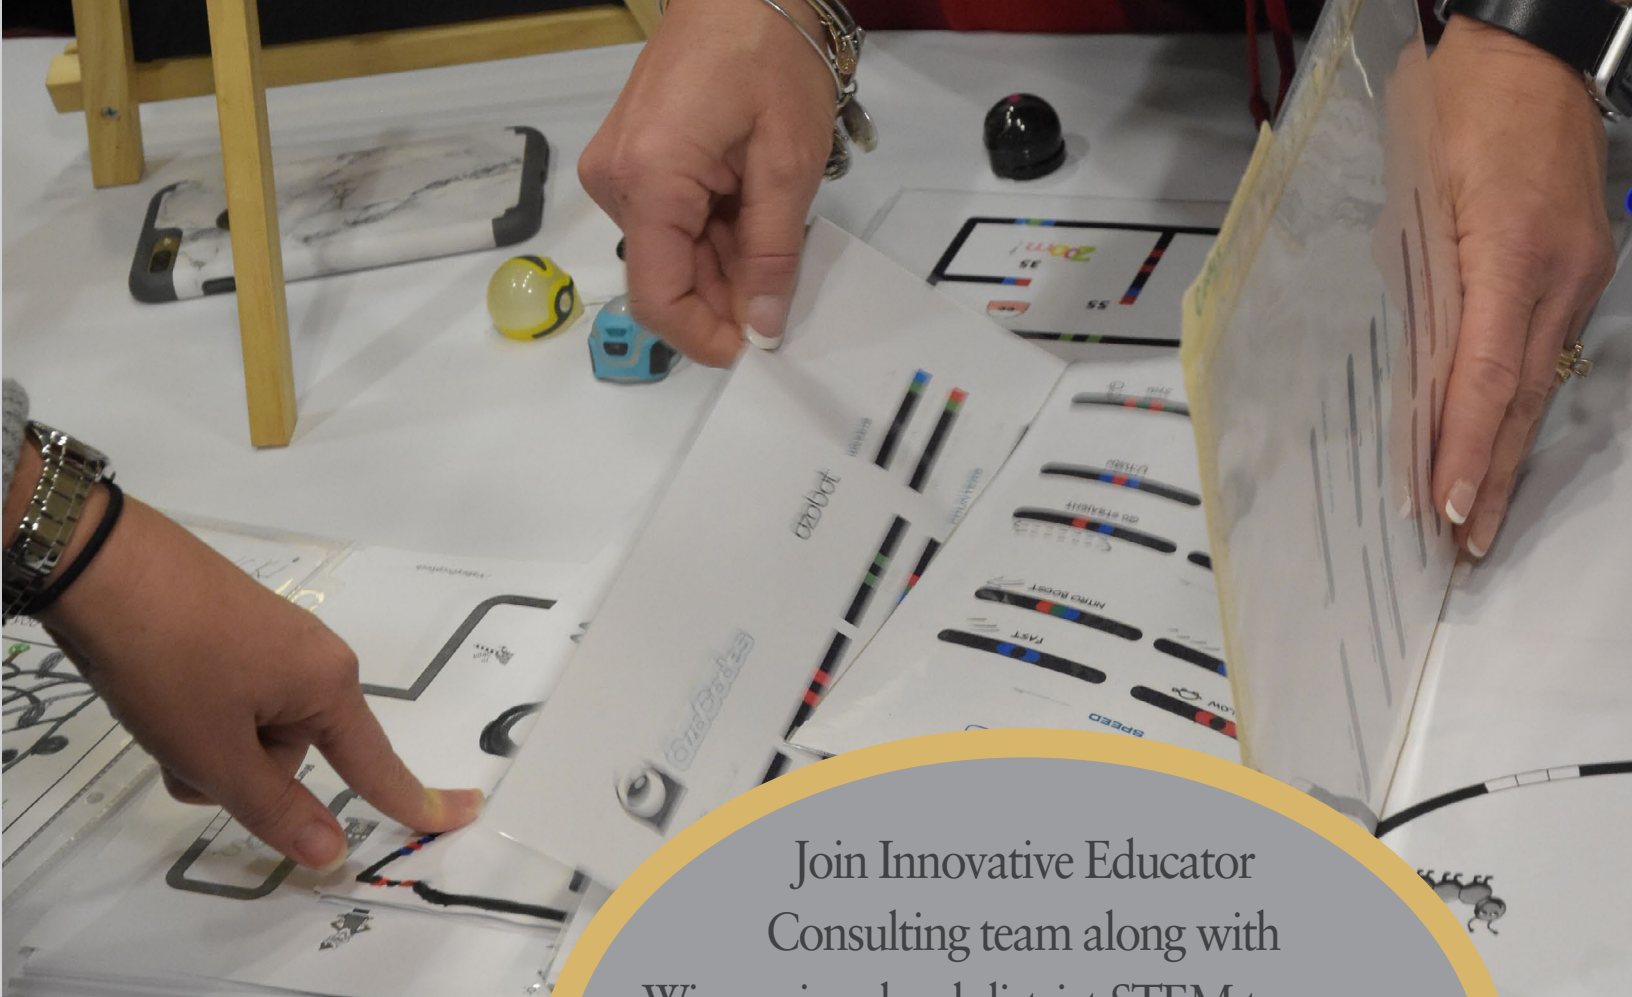

Empress & Ebony

Tuesday 8:30 am - 4:30 pm
Wednesday 8:30 am - 11:30 am

Prize Board

Tuesday in the Exhibit Hall find the prize winner board. If you see your name, let the SLATE staff know at the SLATE Registration Counter (name badge required to pick-up prize). Keep checking back as the names will be updated.
All SLATE registrants are automatically entered.

STEM, CS, & Makerspace

Maji Lounge

Brought to you by:

INNOVATIVE EDUCATOR CONSULTING

Join Innovative Educator Consulting team along with Wisconsin school district STEM teams as we collaboratively share 12 incredible learning experiences, to inspire you with ideas of how to bring STEAM focused learning into your schools. Creative STEAM topics will include:

1. AI Innovators Hub - AI smorgasbord of tools, resources, activities, and lessons
2. Elastic Learning - Show how teachers can adapt and flex their teaching methods to suit the needs of diverse STEM learners
3. Elevate STEM Excellence - 5 E inquiry-based STEM playbook of activities and lessons
4. Grant Gurus' Guild - STEM to STEAM funding strategies, grant lists, and crowd sourcing resources
5. Growth Garden Retreats personal and professional growth through nature-based experiential learning
6. Robotics Renaissance - Explore the renaissance of robotics education through immersive hands-on experiences
7. Maker Mindsets - Grassroots approach to design and deliver your own Makerspace and STEM program
8. Let's "Chat About It" - Discover how ChatGPT, Bard and AI design tools are a teacher's best friend
9. Literacy Lighthouse - Literacy infused K-6 STEM hands-on activities
10. STEM Sparks - Make and take STEM designer card challenges
11. Mindful Mastery - Mindfulness techniques for reducing stress and improving focus in the classroom
12. Virtual Voyager - Explore emerging virtual and augmented reality tools for enhanced teaching and learning

301. The Future of Education, With Google for Education

As we march towards a radically different future, what should the role of education be and how might it look? To begin to answer this question, Google for Education collaborated with research partner Canvas8 to conduct an expert-led global study in 24 countries. The result is a three-part report that covers nine trends —related to self, school, and system— shaping the future of education. In this session, Jennie will share Google's perspective on these trends, with the goal of sparking ideas and discussion on how we can best work together to help all learners and educators succeed.

Jennie Magiera

Concurrent Sessions
Round One

001. Mission Possible: Engaging and Assessing Learners in Creative Ways
Chantel Kastrounis, Samira Khan
DATL | K-5 | N | GE
Africa 10

002. Tailor Your Teaching with Computer Science Teaching Tips
Amy Bires, Colleen Lewis
DATL | K-12 | N | IC, IT, CI, TI, LMS, GE
Africa 20

003. The Creative Chromebook
Tricia Louis
DATL | K-12 | INT | IC, TI, LMS, GE
Africa 30/40

004. AI Abracadabra: Magical Ways to Use AI to Enhancing Your Work and Life
Eric Benedict, Scott Fernholz, Rita Mortenson
DATL | K-12 | N | SA, IC, DA, IT, CI, TI, LMS, GE
Africa 50

005. Help Desk Heroes: Elementary Student Tech Team
Becky Stapel, Stephanie Snyder
DATL | K-6 | INT | SA, IC, IT, TI, LMS, GE
Africa 60

006. Teaching With AI
Jamie Averbeck
DATL | K-12 | N | SA, IC, DA, IT, TI, CI, LMS, GE
Africa 70

007. The Incredible Role of a Coach
Beth Clarke
DATL | K-12 | INT | SA, IC, CI, TI, LMS
Africa 80

008. Coding With Science, Literacy, and Poetry in a Two-Way Immersion Classroom
Melissa Ruder, Danielle Nelson, Stephanie Olson
DATL | K-6 | INT | SA, IC, CI, TI, GE
Africa 90

009. Using Esports to Engage Students and Gain Digital Citizenship
Jarrett Davidson
DATL | 9-12 | N | SA, IT, TI, GE
Exhibit Hall (Africa West Ballroom)

010. Using Ed Tech Strategies to Manage Stress and Anxiety
Linda Schuerman
DATL | K-12 | A | SA, IC, GE
Suite D

011. Google Arts and Culture: A Journey Through Time and Space
Cathy Houchin
DATL | K-6 | N | SA, IC, CI, LMS, GE
Suite E

012. Retention, Reach, and Choice - A Panel With Online Learning Leaders
Melissa Schiek
LPD | K-12 | A | SA, DA, GE
Suite F

013. Digital Storytelling: Making Every Student an Author
Shanna O'Connor, Todd Hartwig
DATL | K-12 | N | SA, IC, DA, CI, TI, LMS, GE
Guava/Tamarind

014. Leadership Strategic Future Ready: Return on Learning, Planning Framework, and, Education Technology Budgeting Resources
Janice Mertes, Tom Ashley
DATL | K-12 | N | GE
Portia/Wisteria

015. You Can Use Canva For That!
Pamela Hitz
DATL | 9-12 | INT | SA, IC, DA, TI, GE
Suite C

302. How Will We Respond to the AI Revolution?

The AI Revolution is here. For some, it's exciting. For others, it feels terrifying. Still others feel baffled and confused by it. Many of us feel a mix of all three emotions. But one thing is clear. It's here and it's not going away. In this keynote, we explore how we might adapt and change as we navigate the new terrain of an AI world. We explore the human skills students will need in a world of smart machines. Ultimately, we'll be reminded of the hope and humanity we continue to have in a time of epic change.

www.classdojo.com
School and classroom communication and classroom management, all in one place, and 100% free for schools.

ABOUT PBS WISCONSIN EDUCATION

Classroom Media

Activating technology to serve learners and educators, because learning happens everywhere—the world is our classroom.
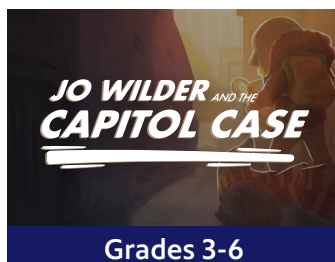

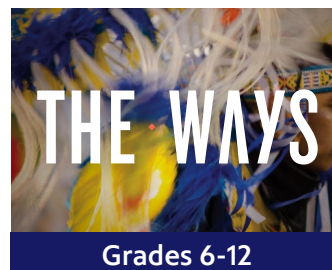

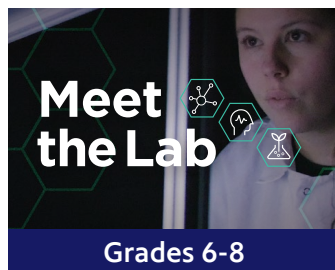

- Free to use, standards-aligned, Wisconsin-focused media for grades PreK-12, including videos, games, interactive content, educator guides, and more
- Created with and for educators and learners

Professional Development

Amplifying your expertise—along with best practices in education—to nurture learning in Wisconsin's classrooms, virtual environments and neighborhoods.

- Powerful and practical events and resources to support your teaching practice, whether you teach in a formal or informal setting, from early learning through high school
- Networked peer communities for building skills and relationships with educators throughout Wisconsin

Visit **pbswisconsineducation.org** to explore media collections and access professional learning opportunities for classroom, library, and early learning spaces.

P

PBS Wisconsin Education | Booths 110 & 108
Jen Kobylecky
jen.kobylecky@pbswisconsin.org
www.pbswisconsineducation.org
PBS Wisconsin Education creates free-to-use, standards-aligned, Wisconsin-focused educational media for grades PreK-12, including videos, games, interactive content, and educator guides. Learning is powered by curiosity in Wisconsin classrooms, libraries, virtual environments, and neighborhoods through practical professional learning events and networked peer communities. PBS Wisconsin Education resources are created with and for educators and learners to promote the love of learning. A commitment to equity and access ensures all Wisconsin learners can grow together. PBS Wisconsin is one of more than 330 PBS member stations – a public service touted as America's largest classroom.

S

Samsung Electronics America | Booth 119
Jim Kuziela
j.kuziela@sea.samsung.com
www.samsung.com/us/business/solutions/industries/education
Discover our latest educational technology and solutions that deliver an engaging hybrid digital learning experience inside the classroom and beyond with best-in-class displays, easy-to-use device management tools and an extensive partner ecosystem.

Savvas | Booth 302
Kaitlyn Johnson
kaitlyn.johnson@savvas.com
www.Savvas.com
At Savvas, we believe learning should inspire. By combining new ideas, new ways of thinking, and new ways of interacting, we design next-generation K-12 learning solutions that help all students discover their greatness. Our award-winning, standards-aligned programs — developed by leading authors and educators and used by more than 40 million students — leverage the power of adaptive learning and advanced technology to deliver immersive, personalized and engaging content that maximizes learning, anytime, anywhere.

Skill Struck | Booth 416
Margaret Parks
margaretparks@skillstruck.com
www.skillstruck.com
Skill Struck is committed to providing a comprehensively engaging yet rigorous computer science solution for grades K-12. Our grade specific platforms significantly lighten the lift for teachers. In addition, the content is available in both English and Spanish and developed with a concerted effort to offer representation and inclusion for all students. Our newly introduced Chat For Schools turns AI into the ultimate teaching assistant by providing a safe and secure way for classrooms to incorporate ChatGPT, while also allowing for personalized and differentiated student learning.

Skyward, Inc. | Booth 112
Tom Kellnhauser
tomke@skyward.com
www.skyward.com
Skyward is a school administration software company serving over 2,000 K-12 school districts around the world.

Sora by OverDrive Education | Booth 316
Connie Bowman
cbowman@overdrive.com
www.discoversora.com
The Sora student reading app, from OverDrive Education, connects over 55,000 K-12 schools worldwide with the industry's largest catalog of ebooks, audiobooks, digital magazines, and more. Sora provides 24/7 access to books and powerful learning tools and insights to meet the needs of students and educators.

Student Achievement Systems | Booth 210
John Sorensen
Johns@arklabs.com
www.accountabilitypulse.com
Pulse is powerful software that helps educators monitor and optimize their virtual classroom performance and student engagement in real time, on demand. Need to know how ALL your remote students are doing, right NOW? Pulse removes the effort and guesswork with a powerful dashboard, communication app and reports that seamlessly integrate with your LMS and SIS systems, instantly and simultaneously.

Swivl | Booth 105
Zachary Bittner
zachary@swivl.com
www.swivl.com
Swivl built its foundation in education with tools to support the development of classroom management skills. Now we've expanded our solutions to help everyone in education reach the higher order they need for an optimal future with AI.
