2025 SLATE Exhibitors

Join us at SLATE 2025 for the Wisconsin's premier education and technology conference to share your products and services!

More than 1,200 educators will gather in the Wisconsin Dells to find the latest and greatest products and services they need to strengthen their school communities. Attendees also share best practices, learn from top educators, and network with their peers throughout the conference.

All SLATE sponsors receive first grab of a booth before it goes live to the general public. Best selections are usually grabbed by our sponsors.

For more information please contact Katie Lowe katie@awsa.org. You may also visit us at www.slateinwi.com.

Multiple Sponsorship Opportunities - Lock in Now!
